

Capri Sun Fundraiser

Please continue to save your Capri Sun pouches over the summer. Please store them in a loose plastic garbage bag not a Ziploc bag (they get moldy). You can bring them in the first week of school and the class with the most pouches collected will win an ice cream party!

Also, Capri Sun has a new product called Super V and they can also be collected.

To date we have collected 59,000 pouches and have earned \$594.00 for our school!!!

Thanks to all
